

# *The Gathering Sale*

12:00 pm Saturday, November 21, 2009  
Cattleman's Livestock Auction • Harrison, Arkansas  
60 Charolais Lots Sell

**Hudspeth Farms and Guests**

## OUTFRONT CATTLE SERVICE

Dear Charolais Friends:

Welcome to another top "The Gathering Sale!" sponsored by the Hudspeth Family. A very exceptional high quality presentation of the best in Charolais awaits your evaluation. If you are looking for top producing Donor cows, the best in proven brood cows, show heifers, (Look at photo below), or tops in bred heifers and a couple of outstanding herd sire prospects, this is the sale.

Lots 1 and 2 represents the best Cigar daughters to ever reside in the Hudspeth herd. They wanted to present their very best for this year's sale and although it was difficult to part with these proven genetics, they realize you have to sacrifice sometimes to accomplish your goals. Their Illusion calves also add tremendous dimensions to this offering. Illusion is the sire of the \$32,000 Reality bull that you will hear a lot about in the coming years. Gilbert Link also consigned a superb Donor, a full sib to the very popular and productive, M6 Grid Maker 104 PET herd sire! A full sister sold for \$10,000 to Lehman's in the May '09 CAT Spring Sale. His Polled Value female, 314, is also a powerhouse! But I could go on and on as there is a super set of cattle selling this year.

The hospitality is great all weekend and please join us Friday evening for a special "Dutch-treat" dinner at the Harrison Country Club. It is a great time to visit and talk Charolais. Don't forget that Branson is just a few miles away and you can enjoy a few shows while in the area. Make plans now to attend and if there is anything we can do to help make your trip more enjoyable, please give us a call.

*Dennis Adams*

**L-R:** John Gentry, Cotton Morrison, William Gentry, Brady Gentry at the halter, Anthony Gentry, and Angie Gentry.

### \*\*\* Congratulations \*\*\*

The Gentry family purchased this heifer in the 2008 Gathering Sale from Cotton Morrison. She was recently named the Grand Champion Female at the 2009 Arkansas State Fair Junior Show! This isn't the first champion to come out of the sale. In fact, this heifer traces to a heifer that the Morrisons purchased from Greg Hudspeth that went on to be champion. We also want to congratulate Taylor Hensley, for showing the Champion Red Angus Heifer at the State Fair Junior Show. She was also purchased from the Hudspeth's in the '08 sale. The offering this year again has some of the top pedigree, top conformation, and performance Charolais heifers with the same great potential! Let us feature your winning photo in the 2010 Catalog with a champion heifer from the 2009 Gathering Sale.

BW: 90 WNG: 559

- \* Pld heifer calf born 10/12/09, bw 84, sired by CJC Illusion N111
- \* A big, deep bodied, easy fleshing, broodcow with an abundance of milk
- \* This cow breeds quickly each year, (calved every year since she was two), and always brings a big, powerful calf at weaning time.
- \* Like all Cigar daughters she milks exceptionally well and stays in good flesh so she will breed back quickly.
- \* The dam's sire, Silverboe Son 627YB, is also the sire of BHD Reality's dam and breeders who study DeBruycker genetics recognize this bull as being in a lot of the top performing, heavy muscled cattle that come from that herd. Several top donor cows also has 627 breeding!
- \* Her Illusion heifer already impresses everyone who has seen her. She already exhibits the thickness, correctness, and smooth, clean lines of N111's
- \* Illusion offers easy calving genetics, many breeders are using him on their heifers. Breeders can't believe how thick they become after calving.
- \* This highlight pair offers you the very best in Beef Cattle Production at the registered level. Something we can all use in every program.

- \* Pld Heifer calf, born 9/11/09, bw 78, sired by the great DeBruycker herdsire, CJC Illusion N111
- \* Illusion sire, G1312, is a full sib to Select Sire's LHD Perfect Mark bull. N111's dam is sired by G1308, a LHD Silver Mark son.
- \* B120 has been a very productive cow for DeBruycker's, several daughters remain in the herd and Hudspeth still have a Cigar daughter out of B120
- \* Another big bodied cow with easy fleshing ability and plenty of milk and high fertility level. The profit making kind!
- \* This cow is one that the Hudspeth Family will recommend to any breeder that wants a great producer.
- \* Her Illusion heifer calf will prove to be a real added value to this offering. These N111 are making tremendous cows with great dispositions.
